

# Bulzoni editore e-book collections

Casalini Libri and Bulzoni Editore are proud to present three new thematic collections on the Torrossa platform, dealing with Theatre, Cinema and Literature.

Known historically for its specialism in Theatre and Performing Arts publications, the Roman publishing house is nowadays considered one of the most important Italian academic publishers in the Humanities, and produces works mainly by Italian researchers and university tutors.

Including works drawn from a catalogue of over 400 specialised Bulzoni titles already present in [Torrossa](#), these three collections offer an invaluable resource for any researcher interested in Literature and in the history and criticism of the Performing Arts.

## COLLECTIONS

*Bulzoni Editore is an academic publisher specialised in Literature, Language, Cinema, Art and Theatre books. Founded as a university bookshop in the late Fifties by Mario Bulzoni, its publishing activity began with the lecture notes that several teachers were using as textbooks at the time. Bulzoni has since concentrated its activity in research level publications, continuously adding to the catalogue books and journals of academic interest in all the fields of the Humanities. The catalogue today boasts over three thousand titles.*

*Since its foundation in the late 1950's, Casalini Libri S.p.A. has been dedicated to the supply of bibliographical services, books and journals to national, academic and public libraries and institutions worldwide. Since its outset Casalini Libri has worked closely with libraries and publishers to develop customized supply and library services that suit the individual needs of our customers around the world.*

*The Casalini Libri Digital Division, established in January 2000 following an international pilot project, offers innovative electronic publishing services to the highest industry standards, collaborating with Italian and international publishers to create and distribute digital publications.*

*The company, headquartered in Fiesole (Florence, Italy), adheres to the ISO 9000 Quality Management System.*
