Le Lettere publishing house presents a **new set of 12 titles** from the Giovanni Gentile Complete Works in digital edition on the Torrossa platform.

The digital edition of Giovanni Gentile Complete Works is a project started in 2012 by Le Lettere publishing house in collaboration with Casalini Libri with the aim to provide a **new way of consulting** all of the material in this collection, as well as creating renewed opportunities for **access to the out-of-print texts**. The collection consists of 50 volumes, 21 of which are already available on Torrossa, and offers a remarkably complete insight into Gentile's historical, philosophical and political thought.

Libraries can subscribe either to the complete 50 volumes collection, and thus get access to all the volumes as they became available on Torrossa, or to subsets that will be released periodically.

### 2014 COLLECTIONS

- **Complete collection (50 e-books)**
- **First set (9 e-books)**
- **Second set (12 e-books)**

A **special discount** is available for libraries that already own this work in the print version.

### CONTACTS

Full descriptions and catalogues of all the collections available on **Torrossa** are available at [www.casalini.it/torrossa](http://www.casalini.it/torrossa). Please contact us at torrossa@casalini.it for further information or to activate a month’s free trial period.
