

Franco Angeli e-book collections on Torrossa

This coming year a selection of some 1700 e-books from Franco Angeli will be available on Torrossa, where the publisher's e-journals are already hosted.

The titles, mainly published between 2010-2012, will be available for institutions as a single, complete collection or in five different subject packages, covering the publisher's main fields of specialisation:

FRANCO ANGELI 2014 E-BOOK COLLECTIONS

- Complete, 1719 e-books
- Economics, 549 e-books
- Sociology, 377 e-books
- History & Philosophy, 269 e-books
- Psychology, 209 e-books
- Education, 91 e-books

The addition of these contents from one of the largest and most authoritative Italian scholarly publishers, strengthens the position of Torrossa as the main point of access to Italian research level publications in digital format.

AUTHORISATIONS AND MARC RECORDS

Permanent access is guaranteed for all purchased content. A small annual maintenance fee is charged for permanent access. This fee is waived in years that additional content/packages are purchased.

License terms grant authorized users with permissions to copy and paste text, print and download content. Documents are accessible in PDF format.

Marc or Unimarc records will be provided for all titles included in the collection.

CONTACTS

For further information or to activate a month's free trial period, please contact us at torrossa@casalini.it.

Franco Angeli, located in Milan, is one of Italy's largest and most authoritative publishers in the Humanities and Social Sciences. Since its founding in 1955, Franco Angeli has earned a reputation as an innovative publisher, specializing in scientific texts and manuals for students, researchers and professionals alike, offering a catalogue of around 17.000 publications, with 900 new titles each year and over 80 journals.

Their books and journals are widely respected in the academic community of various fields, from Art to Economics and Law to Psychology. In recent years, the publisher has given special focus to developing fields by producing scholarly works in disciplines such as NGO Cooperation, Education and Tourism.

Since its foundation in the late 1950's, Casalini Libri S.p.A. has been dedicated to the supply of bibliographical services, books and journals to national, academic and public libraries and institutions worldwide. Since its outset Casalini Libri has worked closely with libraries and publishers to develop customized supply and library services that suit the individual needs of our customers around the world.

The Casalini Libri Digital Division, established in January 2000 following an international pilot project, offers innovative electronic publishing services to the highest industry standards, collaborating with Italian and international publishers to create and distribute digital publications.

The company, headquartered in Fiesole (Florence, Italy), adheres to the ISO 9000 Quality Management System.
